The 36,000 WPCA images are now catalogued and available for use in research & editorially for publishers, illustrators, magazines, journals, greeting cards, individuals and much more. Our purpose is to preserve the photographic past and let our knowledge do the work for you. Whether your needs are literary, historical and genealogy, theater photo props covering decades of living, architectural, botanical, abstract, or for your own personal needs and projects, we do the search for you. We also have access to over Public Domain Images with our Social Media deposits. Bulk samples of sets of WPCA Images available in CD with free archive.org links. Public domain lists of small and large sets of images are available on our website. Images are free to use, you only pay a nominal search fee. Use the PayPal Link for payments. Send us an e-mail for enquiries & individual Searches.

Samples of WPCA Images as Book Covers (for example) include:
